

Assistive Technology Reutilization in South Carolina

See a summary of reutilization activities in South Carolina on the South Carolina Assistive Technology Program's web site at www.sc.edu/scatp/reutilization.html

The SC Online Assistive Technology Exchange

The AT Exchange helps people with disabilities and anyone with functional limitations find affordable assistive technology, devices and equipment. You can register if you have items to sell, donate, find or just want to browse. Any person or agency can participate. Some examples of the types of equipment listed are: stair lifts, ramps, wheelchairs, adapted vans and vehicles, computers, speech items, and more. For more information call 803-935-5263 or see the website at www.scatpexchange.net.

SC Assistive Technology Reuse Listserv

The SC Assistive Technology Reuse Listserv provides networking opportunities among individuals and agencies, to coordinate everyone's efforts to exchange, sell, recycle, and redirect used assistive technology throughout the state. Join the listserv by contacting Carol Page at carol.page@uscmed.sc.edu. Specify if you want to join the Reuse Listserv or the Pediatric Reuse Listserv, or both.

SC AT Reuse Service Organizations

Several organizations, listed on the right, collaborate to reutilize equipment. Many of these organizations participate in the SC Assistive Technology Reuse Listserv. These organizations help people with disabilities in a variety of ways, including reutilization.

Able South Carolina, Columbia
