Assistive Technology Reuse

SC Assistive Technology Reuse

SC Assistive Technology Reuse collects gently used medical equipment and distributes it to those in need. There is no cost for the equipment.

If you are looking for or wanting to donate equipment, call 803-935-5273. If you need equipment and we don't have what you are looking for, we can add you to our waiting list.

SC Assistive Technology Exchange

The SC AT Exchange is a free and convenient online exchange program. Any person can find or list gently used medical equipment for free or for sale.

SC Assistive Technology Reuse

Organizations

The organizations listed on the right collaborate to connect people to the equipment they need. These organizations help people with disabilities in a variety of ways.

For more information about any of these services, contact Alli Upchurch at alli.upchurch@uscmed.sc.edu or 803-935-5273.

www.scatp.med.sc.edu

This is a publication of the South Carolina Assistive Technology Program (SCATP) at the University of South Carolina School of Medicine, Center for Disability Resources (UCEDD). This was made possible by Grant Number 90AG0016-01-00 from the Administration for Community Living (ACL), U.S. Department of Health and Human Services (HHS).
